

Notice from Nabari City

Please pay attention.

2022

From October 29

We will only collect garbage in designated garbage bags.

Temporary measure will end on October 28.

The temporary measure of collecting burnable garbage and non-burnable garbage in store-bought transparent or translucent bags will end on October 28 because stores can sell enough designated garbage bags. We will only collect garbage in designated garbage bags from October 29 as in the past. Please be careful about that.

How to Dispose of Garbage from October 29

We will only collect garbage in designated garbage bags.

- ✓ We will not collect garbage in non-designated garbage bags from October 29.
